## Corporate Overview

mcaConnect focuses exclusively on delivering Microsoft Dynamics™ AX solutions and services to mid-market and enterprise size manufacturing and distribution companies like yours.

We understand that choosing the right solution and implementation partner can be a challenging task. You need a committed, high-quality provider that has extensive experience, deep industry knowledge and innovative ideas.

Established in 2002, mcaConnect has grown into one of the largest US-based Microsoft partners with offices throughout the United States and supports multi-national implementations around the world.

At mcaConnect, we employ top leading experts in Microsoft Dynamics AX with proven experience working in our specialized industries. Our consultants understand the issues you face every day, and will work with you to mitigate the risk out of your business processes by using solutions from Microsoft Dynamics AX to help you achieve your goal.

## ERP and Industry Solutions

In addition to enterprise resource management solutions, mcaConnect offers specific industry solutions and is a Microsoft Dynamics Gold Certified Partner.

- Automotive
- Distribution
- Energy
